

UKSEDS WOULD LIKE TO ANNOUNCE THE

2011 UK SPACE CONFERENCE STUDENT PRESENTATION COMPETITION

In collaboration with the UK Space Agency, UKSEDS are offering the opportunity for students to present at the UK Space Conference which is to be held at Warwick University on Monday 4th and Tuesday 5th July 2011.

One student will be selected to give a 10 minute presentation for each of the 8 parallel sessions detailed below

Monday 4th July

Science and Exploration
CubeSat
Consumer Applications
New Horizons

Tuesday 5th July

Space Business
Environment
Security
History

The conference covers a broad area and your presentation can be on anything related to the space industry, space technology and space science but should link with the main theme of the conference, 'The New Space Economy'.

No formal paper is required and we are looking for presentations that offer new perspectives, visions and ways of working in space rather than a technical presentation on a specific area of research.

To enter please submit an abstract (max 300 words) along with your name, contact details and place and subject of study to competition@ukseds.org

The entry deadline is **18:00 on Friday 20th May 2011**

For more information on the competition and the UK Space Conference in general visit the UKSEDS website at
