Bristol

# Promote your work

at the UK's premier student space event

CAREERS FAIR

TALKS BY LEADING  
ACADEMICS AND SPACE  
INDUSTRY FIGURES

NETWORKING  
OPPORTUNITIES

The only event of its kind, NSSC sees hundreds of undergraduate students with a strong interest in the space industry come to learn more about space projects and potential employers.

Exhibiting is a unique chance to engage motivated and talented students, network with other professionals, and showcase your company's latest achievements all in one go.

\*\*eligible start-ups defined as organisations with an annual turnover of less than £2,000,000

January 2024

Location: TBC

# Diversity in Space Careers

**Diversity in Space Careers (DISC)** is a one-day conference championing equality, diversity, and inclusion in the space sector.

Hear from a wide range of professionals, spanning space industry and academia, through a series of talks and panel discussions. This will give insight into their work, research, and experiences in overcoming personal barriers.

Connect with a diverse audience of professionals, academics, and enthusiasts who share a passion for space exploration and equality.

Contact us to find out about sponsorship opportunities available for this event:

[diversity@ukseds.org](mailto:diversity@ukseds.org)

February 2024

 Across the UK

**UKSEDS**  
REGIONAL CLUSTER EVENTS

Regional Cluster Events are one-day events across four regions of the UK: London and South England, Midlands, North and East England & Scotland, Wales and Northern Ireland.

These events aim to spread awareness of the space sector through talks by academia and industry experts, panel discussions, networking and interactive workshops.

Support us in promoting the growth of space development within each region and further encouraging students to take up careers within the UK's space industry. Contact us at: [membership-team@ukseds.org](mailto:membership-team@ukseds.org)

# UKSEDS

COMPETITIONS

**Want to support students in gaining valuable skills relevant to the space sector?**

Our **5 national competitions** emulate industry practice and help students gain skills they're not able to pick up during their studies, from practical experience with systems engineering to project management. This year, in addition to supporting a specific competition, we also have competition-wide sponsorship to help extend your reach.

## Sponsor a Competition

**PLATINUM** £10,000

**GOLD** £7,500

**SILVER** £5,000

**BRONZE** £1,000
